

[DRAFT] 2nd AACR-KCA Joint Workshop on Precision Medicine in Cancer in conjunction with the 25th KCA Fall Symposium

November 10(Thu) - 11(Fri), 2022 | Lotte Hotel Seoul, Korea

THURSDAY, NOVEMBER 10			
Time/Room	Room A	Room B	Room C
8:30-8:40	Opening Remarks		
08:40-10:20	Workshop Session 1 Single-cell transcriptome and cancer biology		
10:20-10:40	Break		
10:40-11:20	Waun Ki Hong Memorial Lecture		
11:20-12:00	Luncheon Symposia		
12:00-12:20	Break		
12:20-14:00	Workshop Session 2 Artificial intelligence and computational biology approach		
14:00-14:20	Break		
14:20-16:00	Workshop Session 3 Functional genomics and proteomics		
16:00-16:20	Break		
16:20-18:00	Workshop Session 4 Novel epigenetic therapeutic strategies		

FRIDAY, NOVEMBER 11			
Time/Room	Room A	Room B	Room C
08:30-10:10	Workshop Session 5 T-cell redirected therapies for cancer		
10:10-10:30	Break		
10:30-12:10	Workshop Session 6 Precision vaccination for cancer treatment		
12:10-12:20	Workshop Report		
12:20-13:00	Luncheon Symposia		
13:00-13:20	Break		
13:20-15:00	KCA Session 1 Novel cancer therapeutics	KCA Session 2 Precision radiotherapy with advances in medical imaging	
15:00-15:20	Break		
15:20-17:00	KCA Session 3 Diagnostic and therapeutic challenges in precision oncology	KCA Session 4 Surgical oncology in advanced cancer	
17:00-17:10	Closing Remarks
